Countdown to Kindergarten

Mrs. Pam Prenot

Dates: June 10 - Aug 7 - Tuesdays, Wednesdays, and Thursdays

Time - 7:30 am - 5 pm

Who - Students going into 5K

Where - Mrs. Prenot's classroom, playground, gym on rainy days or super hot ones

They are ready for Kindergarten and will stay ready when they enroll in Countdown for Kindergarten! We will work on all the skills needed for Kindergarten: writing our name, writing the alphabet and numbers, following multiple directions in a large group, teamwork, sight words, pointing to words as we read, and many more.

The kids will learn during small-group play and large-group activities. We will continue to build the friendships we made in 4K and work on problem-solving and working together. There will be one-on-one work time and centers to promote math and literacy skills. We will continue to review colors, shapes, and counting, too. Your child will have a fun-filled day of learning.

You may drop off and pick up any time within the hours of the class.

An information sheet will be sent home to those who sign up.

Kindergarten Bonus: A Summer Adventure for Future First Graders

Instructor: Ms. Noll

Dates: June 2nd - 5th

M - Th, 8:00 AM - 2:00 PM. Students should bring lunch.

Level: Students Entering First Grade

Welcome to Kindergarten Bonus, where the fun of kindergarten continues into the summer! Designed for children transitioning from kindergarten to first grade, this engaging summer school class offers a unique blend of educational activities, creative projects, and exciting adventures to prepare young learners for their next academic journey.

Throughout this class, students will embark on a journey filled with exploration and discovery, aimed at reinforcing key concepts learned during kindergarten. Students will hear stories, play games, and expand their writing skills. Students will enjoy a variety of math games and expand their number sense. Of course, we will have a little outdoor summer fun along the way!

Kindergarten Bonus provides a supportive and nurturing environment where each child is encouraged to learn, grow, and express themselves freely. Join Ms. Noll for an unforgettable summer experience filled with laughter, learning, and friendship in Kindergarten Bonus.

First to Second Grade Acceleration Academy

Dates: June 2nd - 13th M-F

Time: 8 AM-12 PM (Noon)

Grade: Current 2024 - 25 first-grade students

No Cost

Teacher: Ms. Natalie Jasnoch

An awesome opportunity for C-FC students. This program is for students who want to improve their academic abilities. It does not matter what level of skill we start with, this academy will help students grow and improve their academic abilities.

Summer Math Games

Instructor: Emily Henderson

June 2nd-11th:

Time: 12 pm-3:30 pm

Level: Students entering grades 1-5

Limit: 15 students

Students will have the opportunity to keep practicing important math skills through gameplay! This class will focus on math facts, working with others, and problem-solving! It does not matter what level of skill we start with, this program will help all students keep practicing!

Please pack a (peanut-free) lunch if you are coming from a morning session! We will make sure that your child has time to eat lunch in between!

Summer Reading Games

Instructor: Andrea Robinson

June 2nd-11th:

Time: 12 pm-3:30 pm

Level: Students entering grades 1-5

Limit: 15 students

Students will have the opportunity to keep practicing important reading skills through gameplay! This class will focus on phonics patterns, heart words, and working with others! It does not matter what level of skill we start with, this program will help all students keep practicing!

Please pack a (peanut free) lunch if you are coming from a morning session! We will make sure that your child has time to eat lunch in between!

STEM (Science, Technology, Engineering, and Math)

Instructor: Mrs. Andrey Schmitt

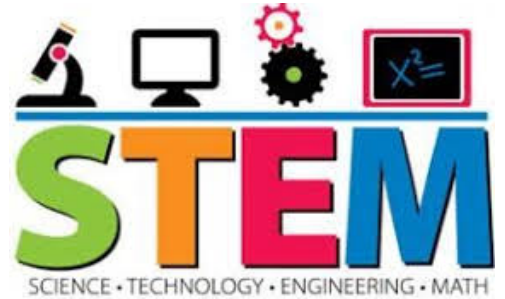

Dates: June 9 - 13 **or** June 16-20 (Choose 1 of the 4 one-week sessions)

Monday- Friday 8 am-12 pm or 12 pm - 4 pm

Level: students going into grades 1-6

Limit 15 students per session.

A variety of Science and engineering concepts will be introduced through fun and engaging challenges. Come use your creativity and critical thinking skills to repurpose a pizza box into a solar oven or build a pool noodle roller coaster. Enjoy one week of exploration and plenty of fun.

You've Got the "Write" Stuff

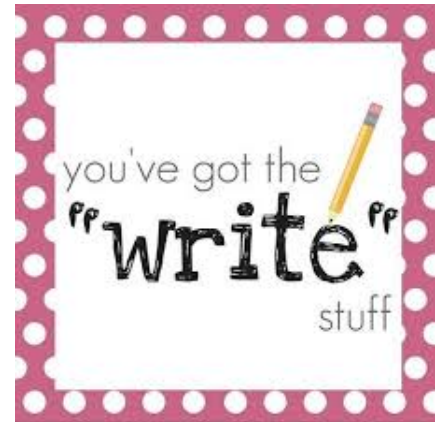

Students going into Grades 4 and 5

June 2-6, 2025 (5 days)

8:00-4:00 pm

Ms. Stryeski

Limit: 12 students

This course is for students who excel in the area of writing. Students will work on poetry, essay writing, research for informational reports, playwriting, and creative writing activities. Students will work together to create an original play that will be performed for another summer school group. Students who sign up for this course must attend class ALL 5 DAYS. This is a rigorous writing course, so please be sure you are up for a challenge. Students will need to bring the following items to class: water bottle, sack lunch (nothing that needs to be heated), books for silent reading, pencils, crayons, colored pencils, scissors, glue stick, glue bottle, a notebook, folder, and an eraser.

Explore Your Creativity with Ms. Stryeski

Students going into Grades 5 and 6

June 9-12, 2025 (4 days)

8:00 - 4:00 pm

Ms. Stryeski

Limit: 10 students

This is a 4-day course for students who love being creative. Students will spend time doing creative writing, sketching, collages, bookmaking, painting, tie-dyeing, drawing, and creating original art projects. Students will need to bring the following items to class: a water bottle, sack lunch (nothing that needs to be heated), a plain white-t-shirt, books for silent reading, crayons, colored pencils, glue stick, glue bottle, ruler, scissors, pencils, folder, black sharpie, and an eraser. PLEASE DRESS IN CLOTHING THAT YOU DON'T MIND GETTING PAINT OR DYE ON. Students should plan on attending class all 4 days.

Knitting and Crocheting

Instructor: Paige Alleman

Dates: June 2 - 13

Time: 8 am - Noon

Level: Students Entering 4th- 12th Grade (Maximum 15 Students)

Are you ready to unlock your creative potential? Whether you're looking to craft cozy scarves, beautiful blankets or simply enjoy a relaxing new hobby, the Beginner Knitting & Crocheting Class is perfect for you! You will learn a variety of stitches, how to read a pattern to create your own handmade masterpieces. Join Ms. Allemann and learn how to turn yarn into creative pieces!

Elementary Fun and Fitness

Instructor: Jenna Todd

Dates: June 2 - 11

Time: 8 am - 12 pm

Level: Students Entering Grades: 2- 5 (Limit 30 Students)

Students will actively learn and participate in a variety of games and challenges that will encourage problem-solving, teamwork, and physical activity. Students will explore different types of fitness and challenges, all while having fun! Breaks and free recess will also be incorporated into the course.

Summer Art Class

Students entering Grades 4 - 5

Instructor: Ms. Kjos

Dates: June 2 - June 6

Time: 8:30 AM - 2:30 PM

Location: Elementary Art Room

Limited to 10 students

Do you love to make things with your hands and use your imagination?

This summer session of art will let you do just that!

There will be clay, paper mache, paint, and many more things to get creative with.

"The earth without art is just eh"

Gun Hunter Safety

Mr. Scott Noll

This DNR-certified course will offer students an opportunity to learn about: · Our hunting heritage · Hunting firearms and equipment · Basic safety rules for hunters and shooters · Proper care of your firearm · Responsibilities of hunters in our environment · Rules regarding land ownership · Wildlife identification · Marksmanship fundamentals. Range firing will be part of this class. This course is required for persons born after January 1, 1974, before purchasing any hunting license. (Class size limit: 30)

AGES: 11 and Up

DATE: June 16 - 19

PLACE: C-FC Commons

TIME: 8:30 am - 12:30 pm

COST: \$ 10.00 (covers registration with DNR and materials), Payable at first class or before.

Checks should be made out to C-FC Schools.

Range activities are funded by the Fountain City Rod and Gun Club.

June 19 at 10 am -We will bus the students to the Fountain City Rod and Gun Club for range activities. Return to school afterward.

ATV Safety

This course will teach the safe operation of all types of ATVs (all-terrain vehicles). Students will learn: Safety practices related to ATV Operation, Laws related to the use and operation of ATVs, Use of safety equipment, Understanding of operator obligations to landowners and the public, and Availability and use of natural resources. Completing this course enables a student to operate an ATV without supervision at age 12 rather than 16. It is recommended for students who are 12 or will be 12 years old by the end of the summer. (Class size limit: 30)

AGES: 11 and Up

DATE: June 5

PLACE: C-FC Commons

TIME: 10:15-4:15 pm

Fall Play Preparation

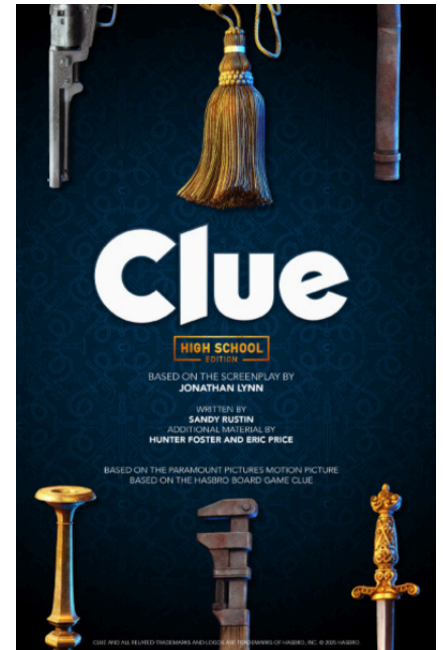

Ms. Feltz
July 28-August 15
(Monday-Thursday) 8:00 am-12:00 pm

Begin rehearsing for the fall play this summer! Students who will be in grades 7-12 for the 25-26 school year may sign up to be in this course. You may sign up to be in the ensemble without an audition, but if you take this course, you are expected to come to fall rehearsals and be at the performances later in the year. If you would like a leading role, you need to audition in the spring.

In this preparation course, we work on learning lines, blocking, prepping sets, sound, and so much more.

Please join us for Clue!

“Based on the iconic 1985 Paramount movie which was inspired by the classic Hasbro board game, Clue is a hilarious farce-meets-murder mystery. The tale begins at a remote mansion, where six mysterious guests assemble for an unusual dinner party where murder and blackmail are on the menu. When their host turns up dead, they all become suspects. Led by Wadsworth – the butler, Miss Scarlet, Professor Plum, Mrs. White, Mr. Green, Mrs. Peacock and Colonel Mustard race to find the killer as the body count stacks up. Clue is the comedy whodunit that will leave both cult-fans and newcomers in stitches as they try to figure out...WHO did it, WHERE, and with WHAT!”
(Broadway Licensing)

Budgeting Course - Personal Finance

Instructor: Mrs. Weber

Ages: 7-9th grade students

June 2 - 6 and June 9-13

8:00 am-Noon

We will go over what money is, how it's earned, and spending vs. saving. Students will learn about cash safety and opening a bank account. Students will learn the differences between checking and savings, which account is best for them, debit cards, checks, when to use an ATM, or when to go to the bank. Students will practice check-writing and making deposits and complete a "monthly budget" to know the amounts for their needs, wants and what should go to savings.

Summer Golf at The Grove

Instructors: Mr. Nelson, Coach Piel, and Mr. Schmidtknecht

Dates: June 16 - 19 and June 23 - 26 (MTWTh)

Time: 8:00 am to 11:00 am

Level: Students entering grades 3- 12.

Cost: Free to attend and participate - A deposit (\$20) is required for Club rental but returned when the clubs are returned in good shape.

Location: The Grove Golf Course, 211 Walnut Drive, Cochrane

Spots Available: Limited to **30** students.

Transportation: Parents/Guardians are responsible for transportation.

There are so many physical and mental benefits of playing golf. Golf is a great way to get the kids physically active in the summer months. It teaches them a sport that can last a lifetime.

The Junior Golf Program is designed for junior golfers in 3rd through 12th grade. Students will learn the basics of putting, chipping, irons, and drivers, as well as the rules of golf etiquette and good sportsmanship. NOTE: 9th-12th grade students participating may receive credit for the hours attended and apply them towards the 60 hours required for the summer phy-ed class.

Additional Information will be sent to students and families after May 6, 2024.

Summer Phy Ed and Fitness

LEVEL: Entering Grades 7-12

DATES: TBD

TIME: TBD

COST: FREE

The C-FC weight room will be available for students to use the fitness equipment. High School students who participate in this program may earn a .5 Physical Education credit during the summer. But they must complete a minimum of 60 hours within the program.

Exploring Our Outdoors: History, Trails & Nature

Instructor: Ms. Johnson, Room 321

Dates: June 2 - 13 (M - F)

Time: 8:30 am - 3:30 pm

Level: Students Entering 7th- 12th Grade (Maximum 9 Students)

Welcome to **Exploring Our Outdoors: History, Trails & Nature!** Over the next two weeks, our small group of nine students (grades 7-12) will dive into the rich history of our local area while adventuring through state parks, recreational trails, and beaches. Along the way, we'll learn about trail safety and etiquette, explore unique ecosystems, and discover how history and nature connect. Expect hands-on activities, interactive discussions, and plenty of time outdoors as we uncover the stories hidden in our landscapes. Get ready for a fun and educational adventure! Students should wear comfortable clothes, hiking or tennis shoes, bring sunscreen, a water bottle, and pack a lunch for each day (a small backpack is recommended).

Driver's Education

Mr. Travis Mayer

Level: Ages 14.5 and up (Minimum 10 students needed for the class to run)

Dates: July 7th - 24th

Time: 9 am - 11 am

The last class will occur on the Enhanced Driving Institute Campus in Onalaska.

Students need to register on the Enhanced Driving Website:

<https://www.edi-wi.com/arcadia-cfc>

It's great to be part of this community and provide our Top-Rated Program at the School. Our parent session is always lesson 15 (2 hours). We ask all parents to attend so you are prepared for your new role as Parent Driving Instructor.

EDI's Classroom Training is the most thorough and engaging Driver's Education Curriculum available. We understand that this is an exciting time for teens, and it's important to us that Driver's Education is not just a "hurdle" to overcome but an important component to their understanding and growth as a driver.

Students must register through the Enhanced Driving Website!

Summer School Information

Registration Forms are due to the C-FC office by **May 2, 2025**.

All on-campus classes/programs require a minimum enrollment of at least **8** students for the course to occur. Families will be notified of any courses that are closed due to insufficient enrollment, except online courses.

All courses will take place on the C-FC campus, except where noted.

We will provide classroom locations for students on the first day. Please have the students report to the commons or the office.

Payments must be made payable to Cochrane-Fountain City School and are due on the first day of class.

No student may begin summer classes without a completed Health Information Form.

Students participating in summer school have the same expectations for conduct, behavior, and dress code as they do during the school year.

Students who cannot meet classroom expectations may be removed from summer school classes.

If you have any questions, please contact Steve Stoppelmoor at ssoppelmoor@cfc.k12.wi.us or call 608-687- 4391 for more information.
