

Pep Band performing at the Dig Pink Volleyball night

Coach Peterson was awarded the Division 5 Girls Basketball Achievement Award at the Annual Basketball Hall of Fame Banquet

Mark your calendar for the Halloween Blood Drive on Wednesday, October 30th!

Kindergarten classes had an exciting science lesson learning all about animal behaviors and how creatures seek safety to survive! The students got to pretend to be gophers, snails, and praying mantises, bringing their lesson to life with some imaginative fun. As if it were planned, Benjamin and his dad surprised everyone by bringing in a real praying mantis for the class to see up close!
